**Subject:** Revised version of QFRs

Thanks to everyone who participate in this morning's discussion about the QFRs and/or send written comments and edits.

I've incorporated all of the input I've received, taking into account our discussion this morning.

Revised versions are attached – both track changes and clean. If you make additional edits or suggestions, please use the clean version to do so. I would appreciate any final comments or edits by first thing Monday morning so I can make any needed changes and get these to the IOAA by Monday afternoon.

Thanks again!
